Make sure they have official notice!

Put it in the Weekly

LEXIS PRINTER: At the present time, we do not have ink for the Lexis printer due to the abusive behavior of students using the Lexis printer for printing cases and memorandums. The Lexis terminal is for research only! Please use the new Xerox copying machines to make copies of cases and other related law school materials.

APPRECIATION: The Library Staff and law students would like to express their sincere appreciation to the Law Day Committee of 1989-90 for supplying ribbons and computer paper for the computer lab.

Watch for the WESTLAW training classes that are planned for October and other special training classes to make you more efficient in law school and more marketable in the legal community.

THE BARRISTER: The deadline for Barrister articles is October 18th. All staff writers must submit their assigned articles to Eroll Skyers before October 18th. All articles must be typed.

RESUMES: To date, 28 third year students (class size - 59) and 35 second year students (class size - 90) have resumes on file in the Placement Office.

RESUMES ON DISK: This week, a student borrowed one of the computer disks from the Placement Office and failed to return it. PLEASE RETURN THE DISK IMMEDIATELY! THIS DISK CONTAINS THE RESUMES OF AT LEAST TWENTY (20) STUDENTS. To avoid this type of problem in the future, Mrs. Hudson will sign out disks to students in one hour intervals.

WESTLAW & PLACEMENT: You can now access the NALP Directory of Legal Employers on Westlaw (database identifier - NALP-DIR)). This database provides pertinent information on thousands of legal employers (number of attorneys/billable hours/areas of practice, etc.) WESTLAW also provides a Legal Directory (database identifier - wld) which contains biographical information on hundreds of attorneys. The Placement Office has not yet received all of the detailed information about each of these new databases, however, students are encouraged to use them to identify law firms in particular areas and to get some background information on the firms. More information will be made available as soon as it is received.

NO SHOWS: If you are unable, FOR WHATEVER REASON, to keep a scheduled interview appointment, you MUST notify the Placement Office. Many of the recruiters travel a long distance to come to the law school to interview YOU. It is inexcusable for students to forget interview times; interview schedules are posted in the Placement Office at least two days prior to scheduled interviews and interview dates are published in the Weekly. **POLICY:** Students who do not show up for interviews (without giving prior notice to the Placement Office) will be prohibited from interviewing with any on campus recruiters for ONE WEEK.

The decision to conduct on campus interviews will be determined after a screening of the resumes from Central and the surrounding NC law schools. If you (3Ls only) would like to interview with this agency, you should review their profile (Information Notebook) and sign your name on the Interest Sheet (Sign-Up Notebook).

PROGRAM: On Thursday, October 4th @ 1:00 p.m. in Room 204, the NC Society of Health Care Attorneys will conduct an information/question and answer session on opportunities in health law practice. All books, pamphlets, resumes, etc. in the Placement Resource Library are for the benefit of ALL students and should not be removed without the permission of the Placement Director. If you borrowed this book or have seen it lying around, please bring it to the Placement Office.
