## President's Message

Dear Alumni,

Please join me in extending warm and heartfelt congratulations to those alumni members who were successful on the July 1994 Bar Examination. We are proud to welcome these new attorneys to the practice of law.

The Alumni Association is continuing to make great progress. As President, I have requested all Board of Directors members to become a "Friend of the Alumni Association" contributor to the Annual Fund Drive. I am happy to report that the Alumni Board Members' response has been very positive. I extend the same request to all Alumni. Your financial support enhances the value of your degree and is an investment in quality legal education for NCCU law students.

In my most recent letter to the alumni, I attempted to outline some of my goals and objectives for the Association. It has been suggested that those goals are too ambitious; I disagree.

I am committed to providing scholarships to our students. As a faculty member, I see far too many students attempting to work while attending law school full time. Additionally, the availability of

scholarships will assist in attracting the best and the brightest students.

As part of my commitment to increasing services to our Association members, the Board is establishing local chapters of the association, CLE workshops, annual class reunions and conducting membership surveys. Additionally, we are co-sponsoring "Meet the Dean Receptions" which will assist in developing a shared vision for the law school and alumni.

On behalf of the Board of Directors, I thank you for the trust and confidence exhibited by your support.

In truth and service, I remain. . .

Sincerely,

Grady Jessup, '86

President
