FINAL EXAMINATIONS: Final examinations begin on December 3, 1990. An examination schedule is posted at the receptionist's desk. All students are required to obtain an examination number from Mrs. Brown and must use that number for each examination. The use of a social security number or other methods of personal identification for an examination is prohibited. The rescheduling of an examination is discouraged and will occur only in an emergency situation.

Except where an open-book examination is given, students should not bring books, notes, outlines or other articles into the class room during an examination. An adequate supply of blue books will be available in each room and can be used by students to organize answers to examination questions. Students are also requested not to leave the class room during examinations.
