# "You Have To Be Crazy..."

December 3, 1997

Dear PMBR:

I just received my July bar exam results and I am thrilled to report that I achieved a Multistate score of 190 which apparently was the HIGHEST MBE score in Texas. Upon the recommendation of many of my lawyer friends, I took PMBR as a supplement to my general Texas bar review course.

The PMBR program was "fantastic". Your questions were right-on-target and covered the obscure mortgage and criminal procedure areas that my Texas review course did not address.

My recommendation to future law grads is simple: After investing a fortune in your legal education, you have to be crazy not to take PMBR!

Thanks for a great course.
