LIBRARY NEWS

**LIBRARY SUGGESTION BOX**

**SUGGESTION:** The flow of traffic in and out of the library would improve if both sides of the double doors at library entrance were opened.

**RESPONSE:** The purpose of the doors at the library entrance is to assist with noise control. Both doors should be closed at all times.

**SUGGESTION:** Please fix the burned out lights on the second floor.

**RESPONSE:** Maintenance has informed us that these lights burn out frequently because some problems have arisen as a result of the rewiring project that is currently in progress. As soon as the rewiring is completed and these problems are corrected, we will have continuously burning lights again.
