The Placement Office is preparing a "Face Book" which will feature photographs and a short biography on each of our first and second year day students and first, second and third year evening students. The booklet will be mailed to employers who conduct interviews on our campus as well as other employers throughout North Carolina and along the eastern seaboard. Employers sometimes use this type of booklet to select potential candidates for interviews and jobs.

You should complete the biographical information form that has been placed in your student box and bring it to the Placement Office no later than Thursday, April 9, 1992. You should include employment that you have accepted for this summer. If you do not yet have a summer job, you may update this information through the remainder of the semester.

A photographer will visit our campus on Saturday, April 11, to take pictures of individual students for the booklet. The cost to each student will be \$5.00. This will help defray the cost of the pictures. All printing costs will be paid by the law school. The picture will be a head and shoulder shot and students are asked to dress professionally. Students whose last name begins with letters A - M should report to the law school lobby between the hours of 9:00 a.m. and 11:00 a.m. to take your picture, and those with letters N - Z should report between the hours of 12:00 noon and 2:00 p.m. Please tender your \$5.00 at the photo session.

This project will provide our students greater exposure in the legal community. I hope that you will take advantage of this opportunity. A copy of the face book that was published last year is available in the Placement Office for your review. If you have any questions, please feel free to stop by my office.
