Career Services News

All students who have an interview with the Institute of Government on Wednesday, September 27th are reminded to bring your transcript and writing sample to the interview.

The law firm of Faison & Gillespie, Durham, seeks to hire two associates to begin in the Fall of 2001. The first position is in their medical malpractice group and would entail a good deal of litigation. Strong academics and good writing skills are preferred. Some medical background would be helpful but is not necessary. The second position is in their business and municipal litigation group. A business background and some experience in real estate would be helpful. Participation in Moot Court or on the Trial Team is preferred for both positions. For more information on the firm, you may visit their website at www.faison-gillespie.com. Third and fourth year students interested in applying for either of these positions should sign-up and submit your resume to the Career Services Office by Wednesday, October 4, 2000.
